RE: **Ex parte filing** in WC Docket No. 10-90

Dear Ms. Dortch:

On December 10, 2012, I met with Jane Jackson, Margaret Wiener, Sue McNeil, Kathryn Hinton, Mark Rossetti and Joe Cavender.

The majority of the discussion focused on the Copper Valley Wireless operating environment, short construction season and future plans. This portion of the discussion also touched on the FCC Public Notice concerning Phase II mobility funding.

We also talked briefly about the recent Cordova Wireless waiver request. I shared that Copper Valley's interest was that the Commission be aware that there is another viable rural wireless operator in the Cordova market and that it was important to evaluate the request based on all the facts. I also shared that if Cordova Wireless was granted its waiver, that CVW would probably file a waiver as well.

As required by the Commission's rules, this ex parte record is now filed in the above referenced docket. If there are any questions, please call me at 907.835.2231.

Respectfully submitted,
